

Underage Adult Campground Parental Permission

We the undersigned parent(s) of the minor \_\_\_\_\_, give our permission for our child to stay at the “Adult campground” owned by Huzzah Valley Resort. We realize that our child will be staying with a group of other minor’s and young adults.

We accept the fact that Huzzah Valley is not responsible for the behavior of our child and others at the campsite. We recognize that Huzzah Valley does not approve, nor allows underage drinking and smoking. Neither does Huzzah Valley approve nor allow the use of illegal substances.

We also acknowledge that Huzzah Valley is not a law enforcement agency and does not have excess staff members to “police” the behavior of guests. At the same time we also realize that Huzzah Valley does allow and encourages law enforcement to conduct random checks on the Huzzah Valley property.

As the legal guardian(s) of \_\_\_\_\_, we accept the financial responsibility of any damages that our child is responsible for. If the group does damages and no specific one person or group of individuals can be identified, we realize our child and therefore we will be held liable.
